

BIO

Lanee' is an admirable vocalist and lyricist, that is cognizant that nothing can come into fruition without the aid of the Holy Spirit.

She is vibrant, humble and a determined woman of business. Lanee' salutes her brothers and sisters with an exceptional spirit of love and concern. She presents the Word of God intermingled with music to the masses, as the most innovative, thought provoking ministry that ever was!

Lanee's wellspring of talent stems from her Huntsville, Alabama roots in Gospel Music. As an adolescent, she sang in the church youth choir while also participating in the school choral, jazz and orchestral band.

After relocating to San Diego, California in the mid-80's, Lanee demonstrated her talent in several local secular bands, which she became very successful. She was a requested favorite in many local San Diego venues.

Lanee' has returned to her first love "God," and now graces hearts and minds with songs of Zion, bringing many into the Master's presence.

She has contributed to numerous Gospel concerts, festivals, outreaches and vocal studio work for local and national artists, as well as recorded commercial jingles.

Her dedication to perfecting her craft of singing and song writing has been a blessing to the Body of Christ.

Moreover, Lanee' has ministered in song with TD Jakes, Judith Christie-McAllister and Ben Tankard to name a few. She has sung before stadium-filled thousands at Harvest Crusades. As this disciple continues to minister in Psalms and spiritual songs, one can only anticipate the gifts she will grace us with next.

It's Lanee's mission, as one of His disciples, to bring the Gospel to hearing ears in the form of song - words of inspiration that will touch the heart of a lost and searching generation; a mission which is dedicated to bringing others into a life-changing knowledge of Jesus Christ.

As a singer/songwriter, it's Lanee's endeavor to preserve the purity, simplicity and unsurpassed love of Christ in every lyric sung - provoking others to seek and establish a personal, passionate and ever-flourishing relationship with our Creator.
